# **Ehlers-Danlos Syndrome and Hypermobility Spectrum Disorders Awareness**

- HEREAS, Ehlers-Danlos syndromes (EDS) are a group of 13 heritable connective tissue disorders that together affect 1 in 5,000 people. Each type of EDS has its own set of symptoms, but some features are seen across all types of EDS, including joint hypermobility, skin hyperextensibility, and tissue fragility.
- HEREAS, Hypermobility spectrum disorders (HSD) are connective tissue disorders that cause joint hypermobility, instability, injury, and pain. Other symptoms, such as fatigue, headaches, GI problems, and autonomic dysfunction are also often seen as part of HSD.
- HEREAS, There is no cure for any type of EDS or HSD. The conditions are managed by addressing a person's symptoms. EDS and HSD can cause a variety of symptoms in many different areas of the body, so people with these conditions often require multiple providers in different specialties to manage their care.
- HEREAS, Access to professionals who are knowledgeable about EDS and HSD is limited in San Dimas and California. Lack of awareness about EDS and HSD in San Dimas, California and across the world stands in the way of the diagnosis, management, and research of these conditions.
- HEREAS, Awareness about EDS and HSD by both medical professionals and the general public can help improve the lives of people living with EDS and HSD in San Dimas and California.
- OW THEREFORE, I Mayor Emmett G. Badar, Mayor Pro Tem Eric Nakano, Councilmembers Rachel Bratakos, Ryan A. Vienna, and Eric Weber hereby proclaim the month of May 2025 as "Ehlers-Danlos Syndromes and Hypermobility Spectrum Disorders Awareness Month" in the City of San Dimas.
  - N WITNESS THEREOF, I, Mayor Emmett G. Badar, have hereunto set my hand and caused the seal of the City of San Dimas to be affixed this 25th day of March 2025.

Subject: Receive, File, and Authorize Submittal of the 2024 Annual Housing Progress

Report to California State Department of Housing and Community Development

for the 2021-2029 Housing Element

# SUMMARY

All Cities are required to update the California Department of Housing and Community Development on their progress towards the 2021-2029 Housing Element by filing an annual progress report due to the State by April 1, 2025. This report shows the progress made by the City in implementing policies adopted as part of the 2021-2029 Housing Element, housing projects entitled, and building permits issued for new residential construction in the 2024 calendar year. This item authorizes the submittal of the City's annual report for 2024.

# **RECOMMENDATION**

City Staff recommends that the City Council:

- 1. Receive and File the Housing Element Annual Report for calendar year 2024.
- 2. Direct staff to submit the report to the California Department of Housing and Community Development.

# **GOVERNMENT CODE §84308 APPLIES:**

https://leginfo.legislature.ca.gov No

# FISCAL IMPACT

There is no fiscal impact for the recommended action.

# **BACKGROUND**

The Housing Element identifies key housing goals, policies, quantified objectives and scheduled implementation programs aimed at preserving and enhancing residential neighborhoods, sustaining the community's character and environmental resources, and efficiently planning for the future use of remaining undeveloped or redeveloped properties so that they fulfill the City's fair share of the regional housing need.

# **DISCUSSION/ANALYSIS**

In April of each year, the City is required to file with the California Department of Housing and Community Development (HCD) an Annual Progress Report on the progress with the adopted 2021-2029 Housing Element per Government Code Section 65400. By providing the Annual Progress Report to HCD, the City qualifies for State housing, community development, and transportation funding, and the ability to apply for grants. The 2024 Housing Element Annual Progress Report (Attachment 1) includes information on the jurisdiction's progress in addressing the Regional Housing Needs Allocation (RHNA), including the number of housing units permitted by income level, the status of programs in the housing element and efforts to remove governmental constraints.

- The Annual Progress Report is divided into twelve Tables (A, A2, B, C, D, E, F, F2, G, H, J and K). For reference "reporting year" for this Annual Progress Report is January 1, 2024, through December 31, 2024. Staff has noted below which Tables are not applicable to San Dimas.
- Table A Includes data on housing units and development for which an application was submitted and "deemed complete" during this reported year. In Table A, the "application" is either an application for discretionary entitlement, or where only a ministerial process is required (e.g., zoned by right) for application of a building permit. In the 2024 reporting year, the City received a total of 41 completed applications for a total of 42 housing units which include 36 accessory dwelling units and 6 single-family detached dwellings.
- Table A2 Includes information for a project's affordability component and includes the
  net new housing units and developments that have received (a) an entitlement; (b) a
  building permit; or (c) a certificate of occupancy. However, only building permits are used
  for the purpose of determining progress towards the City's RHNA. In the reporting year,
  38 building permits were issued for construction (7 single-family units and 31 accessory
  dwelling units), and an additional 35 units received a certificate of occupancy (8 single-family dwelling units and 27 accessory dwelling units).
- Table B Provides a summary of prior permitting activity (permits issued) in the current Planning Period (2021-2029), including activity for the current reporting year. The table reports the number of units for which permits were issued to demonstrate progress in meeting the City's share of regional housing need for the Planning Period. Table B shows that the City has permitted 118 units thus far during the Planning Period, leaving 1,130 remaining RHNA units by income level.
- Table C (not applicable) Includes sites identified or rezoned to accommodate shortfall
  housing need. This table only applies if the City identifies an unaccommodated need of
  sites from the previous Planning Period, has a shortfall as identified in the housing
  element, or is identifying additional sites required by no net loss law Government Code

Section 65863. The City did not have any such information to report for 2024.

- Table D Reports the status and progress of housing element program and policy implementation for all programs described in the housing element.
- Table E (not applicable) This table only applies if the City approved any commercial development bonuses during the reporting year per Government Code Section 65915.7. To qualify, an applicant for a commercial development enters into an agreement for partnered housing to contribute affordable housing through a joint or two separate projects encompassing affordable housing and the commercial developer receives a development bonus. During the reporting year of 2024, the City did not receive any such applications.
- Table F (not applicable) This table identifies units that have been substantially rehabilitated, converted from market-rate to affordable by acquisition, and preserved units consistent with the standards set forth in Government Code Section 65583.1(c). In order to count units reported in this table as progress towards RHNA, the City would need to provide HCD with information to demonstrate that the units meet the standards as prescribed by State law. If HCD agrees that the units meet the standards set forth in Government Code Section 65583.1(c)(1)(D), these units may credit up to 25 percent of the City's adequate site requirement per income category. During the reporting year of 2024, no units met the criteria of Government Code Section 65583.1(c).
- Table F2 (not applicable) This table reports the number of existing units that have been converted from above moderate-income to moderate-income pursuant to Government Code Section 65400.2 which requires that the units are subject to a long-term agreement with a public entity that they are to be affordable to, and occupied by, persons of moderate income for a term of 55 years. During the reporting year of 2024, no units met the criteria of Government Code Section 65400.2.
- Table G (not applicable) This table reports locally owned lands included in the Housing Element Sites Inventory that have been sold, leased, or otherwise disposed of, pursuant to Government Code Section 65400.1.
- Table H (not applicable) This table reports a list of the City's inventory of surplus lands as defined in subdivision (b) of Section 54221, and all lands in excess of its foreseeable needs, if any, identified pursuant to Section 50569, located in all urbanized areas and urban clusters, as designated by the United States Census Bureau, within jurisdictions.
- Table J (not applicable) This table reports student housing developments that have a
  density bonus approved pursuant to Government Code Section 65915(b)(1)(F) however;
  the numbers reported in this section cannot be applied to the entity's RHNA numbers.
  During the reporting year of 2024, no units met the criteria of Government Code Section
  65915(b)(1)(F).
- Table K (not applicable) This table requires local governments to report any local tenant preference policy or ordinance and to provide the weblink to HCD every year. The City of San Dimas has not adopted such a policy or ordinance as defined in Government Code Section 7061.

Staff will continue to implement existing affordable housing programs identified in the housing element while exploring new tools, funding mechanisms, and partnerships to support the City's

commitments towards facilitating the provision of affordable housing in order to achieve the City's RHNA goals.

# **Agenda Item Staff Report**

**To:** Honorable Mayor and Members of City Council

For the Meeting of March 25, 2025

From: Brad McKinney, City Manager

Prepared by: Michael O'Brien, Director of Administrative Services

**Subject:** Receive and File the February 2025 Investment Report

### **SUMMARY**

Monthly Reporting for the City of San Dimas investment of idle funds and cash condition.

### **RECOMMENDATION**

Staff recommends that the City Council:

 Receive and file the Investment and Cash Condition report for the month of February 2025

## **GOVERNMENT CODE §84308 APPLIES:**

https://leginfo.legislature.ca.gov No

### **FISCAL IMPACT**

There is no fiscal impact for the recommended action.

### **DISCUSSION/ANALYSIS**

It is the policy of the City of San Dimas to invest public funds in a manner that will provide an optimal combination of security and investment return while meeting the daily cash flow demands of the City and conforming to all State and local statutes governing the investment of public funds.

The priority objectives of the City's investment activities are as follows: Safety, liquidity and returns.

The City's investment portfolio as of February 28, 2025 maintained liquid cash in the amount of \$17,955,167.11 held between BMO Harris, the City and LAIF and the CALTRUST Liquidity Fund which amounts to just over 23% of the portfolio to provide the cash flow necessary for City payroll

and operating expenditures as well as large capital project expenses and unforeseen emergencies that may occur come up throughout the year. The following chart displays the total investments and weighted average yield per investment category:

	WEIGHTED AVG.	
COLLATERALIZED, POOLED AND PUBLIC AGENCY INVESTMENTS	YIELD	TOTAL INVESTMENT
BMO HARRIS - GENERAL ACCOUNT	0.75%	\$450,646.97
BMO HARRIS - MONEY MARKET ACCOUNT	3.91%	\$1,668,729.09
SAN DIMAS PETTY CASH - IMPREST FUNDS	0.00%	\$2,640.00
CALTRUST INVESTMENT LIQUIDITY FUNDS	4.40%	\$5,737,983.79
LOCAL AGENCY INVESTMENT FUND (LAIF) CA STATE TREASURER	4.33%	\$10,095,167.26
CALTRUST INVESTMENT PROGRAM-MEDIUM TERM-SHARES	4.20%	\$14,293,339.95
TOTAL OF ALL COLLATERALIZED, POOLED AND PUBLIC AGENCY ACCOUNTS	4.00%	\$32,248,507.06

TVI NEGOTIABLE CERTIFICATES OF DEPOSIT	3.19%	\$1,727,000.00
TVI GOVERNMENT SPONSORED ENTERPRISES (GSE) AGENCY BONDS	4.27%	\$775, 703. 43
TVI COMMERCIAL & MUNICIPAL BONDS	4.32%	\$277, 068. 00
STIFEL GOVERNMENT SPONSORED ENTERPRISES (GSE) AGENCY BONDS	3.77%	\$13, 621, 106. 54
STIFEL COMMERCIAL & MUNICIPAL BONDS	3.80%	\$1, 237, 350.00
STIFEL NEGOTIABLE CD'S OF DEPOSIT	3.50%	\$18, 131, 876. 00
TOTAL BROKER ACCOUNTS	3.86%	\$45,811,309.42
TOTAL OF ALL INVESTMENTS	3.95%	\$78,059,816.48

The City's Banking Services Provider BMO Harris provides a fully collateralized checking account whose funds are used to make cash payments for City payroll and operational expenses. The City performs daily bank reconciliations to assure adequate cash is held in the checking account for upcoming expenditures. Cash held in the account earns income credits that accumulate at a rate of .75% which offsets banking service charges that are charged each quarter to the City. As of June 10, 2024, the City opened a collateralized money market account BMO Harris.

Petty Cash is held at City facilities for cashiering purposes and to reimburse small dollar expenditures between \$0.01 and \$50.00.

The Local Agency Investment Fund (LAIF) is considered a Local Agency Investment Pool and acts much like a money market account. Funds can be deposited and withdrawn without penalty. The pool invests funds in short-term securities and can produce returns at rates like money markets but is considered more secure.

CALTRUST is a public agency that provides investment funds that are liquid, short term, and medium term. The assets held by CALTRUST are managed by State Street Global Advisors. Since the City first invested with CALTRUST in August of 2010, buying into the Medium-Term Fund. The City has made various contributions throughout the years as well as reinvested any accumulated interest earnings throughout the life of the fund.

In total the weighted average cost of investing in CALTRUST is \$9.99. Currently due to increasing interest rates driving market rates down for assets already held, the share price of the fund as of February 28, 2025 was \$9.86. Until interest rates decline to the point that share price would increase to \$9.99 or above, the City would be recognizing a loss on sale. However, the City could pull out funds at any time if liquidity needs arose.

Beginning in the month of February 2025, the City opened a liquid fund with CALTRUST which is not subject to market rate adjustments due to the type of investments utilized. The fund yielded 4.40% for the month of February, out yielding LAIF by .07%. The City intends to take advantage of the high yielding short term investments until yields are no longer inverted.

The City Treasurer also utilizes Brokers to purchase investment securities such as Government Sponsored Enterprises (Agency Bonds), Corporate Bonds, U.S. Treasuries and Negotiable CD's.

The investment policy and California Government Code Section 53600.3 allows the City to invest 30% of its portfolio in Certificates of Deposit and 20% of its portfolio in Corporate Bonds through Brokers. U.S. Treasuries and Government Sponsored Enterprises (Agency Bonds) have no investment limits; however, it is considered a best practice not to invest more than 5% in a single Government Sponsored Enterprises.

The following is a breakdown of the total invested in each type of investment along with its

percentage of the portfolio:

INVESTMENTS BY TYPE		
Туре	Amount	% of Portfolio
CHECKING & MONEY MARKET ACCOUNTS/CASH ON HAND	\$2,122,016.06	3%
LOCAL AGENCY INVESTMENT FUND (LAIF)	\$10,095,167.26	13%
CALTRUST	\$20,031,323.74	26%
GSE AGENCY BONDS	\$18,623,433.12	24%
COMMERCIAL & MUNICIPAL BONDS	\$7,329,000.30	9%
NEGOTIABLE CERTIFICATES OF DEPOSIT	\$19,858,876.00	25%
TOTAL OF ALL INVESTMENTS	\$78,059,816.48	100%

Additionally, per the Investment Policy, the City has an established maturity matrix with the investment ranges as follows:

Maturity Range Guideline Portfolio Percentage

1 Day to 1 Year 30% - 100% 1 Year to 3 Years 5% - 60% 3 Years to 5 Years 0% - 40%

The Cities current investment maturity range is as follows:

INVESTMENTS BY MATURITY							
Maturity Range		Amount	% of Portfolio				
1 Day to 1 Yr.	\$	40,741,008.06	52%				
1 Yr. to 3 Yrs.	\$	17,331,885.06	22%				
3 Yrs. to 5 Yrs.	\$	19,986,923.36	25%				
Total	\$	78,059,816.48	100%				

The weighted average maturity for all City investments is 1.55 years, short term investments with maturity within six months continues to draw higher yields, however longer-term yields have been increasing making investing in longer term assets more appealing. Specific details pertaining to the City's investment names, CUSIP #'s, coupon and purchase yields, maturity dates, par and book values are included in the Investment and Cash Condition Report attachment.

# **Agenda Item Staff Report**

**To:** Honorable Mayor and Members of City Council

For the Meeting of March 25, 2025

From: Brad McKinney, City Manager

**Prepared by:** Peter Jacoy, Assistant Engineer

**Subject:** Approve Change Order No. 1 in the Amount of \$77,207.05 for Reroofing of City

Yard Buildings 3 & 6 (Construction Contract 2024-06)

#### SUMMARY

Change Order No. 1 would add the repair of leaking roofs in building 3 and 6 to Construction Contract 2024-06 for the Refuse Building Roof Replacement. The original contract includes the replacement of existing structural trusses and re-roofing of the City Yard's Refuse Building.

#### **RECOMMENDATION**

City Staff recommends that the City Council:

1. Approve Change Order No. 1 for Reroofing of Buildings 3 & 6 in the amount of \$77,207.05 (Construction Contract 2024-06)

#### **GOVERNMENT CODE §84308 APPLIES:**

https://leginfo.legislature.ca.gov Yes

#### **FISCAL IMPACT**

Change Order No. 1 will require a budget amendment of \$77,207.05 to Construction Contract 2024-06 for the Refuse Building Roof Replacement.

Approved Project Budget

Approval of Change Order No. 1 for Construction Contract 2024-06Page 2 For the Meeting of March 25, 2025

The current budget for Construction Contract 2024-06, as approved by the City Council on November 14, 2024, is as follows:

Construction Proposal: \$ 227,995.90 Engineering Services & Inspection: \$ 26,404.92 Project Contingency (20%): \$ 45,599.18 Total Approved Project Budget: \$ 300,000.00

#### Proposed Change Order No. 1 Budget

The budget for Change Order No. 1 is outlined as follows:

Reroofing Building 6: \$ 15,487.50 Reroofing Building 3: \$ 48,851.71 Change Order Contingency (20%): \$ 12,867.84 Total Change Order No. 1 Budget: \$ 77,207.05

#### Revised Project Budget

Should City Council move forward approving Change Order No. 1 for the Construction Contract 2024-06 Refuse Building Roof Replacement Project, the total revised project budget will include the original contract construction costs, a 20% contingency, engineering services, and the Change Order No. 1 budget. The updated budget will be as follows:

Total Approved Project Budget (November 14, 2024): \$ 300,000.00
Total Change Order No. 1 Budget: \$ 77,207.05
Total Revised Project Budget: \$ 377,207.05

The anticipated total construction revised project budget expenditure for CC2024-06 Refuse Building Roof Replacement Project is \$377,207.05. The Revised Project Budget was allocated in the FY 2024-25 Budget from Infrastructure funds (Fund 12).

#### **BACKGROUND**

The City Council awarded the construction contract to WC Construction Services at its November 14, 2024, meeting. During recent rain events, leaks were discovered in Buildings 3 and 6 at the City Yard, posing risks of further water intrusion, structural damage, and operational disruptions.

#### **Building 3**

#### **Building 6**

#### **DISCUSSION/ANALYSIS**

Since WC Construction is already performing roof repairs at the City Yard for the Refuse Building under Construction Contract 2024-06, the City requested a change order proposal from WC Construction to address the necessary repairs. Assigning this work to WC Construction will expedite the urgent roof restoration for Buildings 3 and 6, minimizing potential damage and ensuring continuity of operations.

#### **ALTERNATIVES**

The City Council may choose not to authorize Change Order No. 1 and not revise the construction budget for Construction Contract 2024-06, the Refuse Building Roof Replacement Project. However, delaying the repairs increases the risk of further water intrusion in Buildings 3 and 6 at the City Yard, potentially leading to structural damage and operational disruptions.

#### **ENVIRONMENTAL REVIEW**

This item is Categorically Exempt under the California Code of Regulations, Title 14, Section 6, Chapter 3, Article 19, Section 15301 Existing Facilities Class 1 operations which consists of the operation, repair, maintenance or minor alteration of existing public or private facilities involving negligible or no expansion of existing or former use.

# **Agenda Item Staff Report**

**To:** Honorable Mayor and Members of City Council

For the Meeting of November 12, 2024

From: Brad McKinney, City Manager

**Prepared by:** Peter Jacoy, Assistant Engineer

**Subject:** Award of Construction Contact 2024-06 Refuse Building Roof Replacement

Project to WC Construction Services and Approve Overall Project Budget of \$300,000.00 Including Construction, Engineering and Contingency. Approve the Plans and Specifications for the Project on File in the Public Works

Department.

#### SUMMARY

Construction Contract 2024-06 for the Refuse Building Roof Replacement includes both the replacement of existing structural trusses and reroofing. Located at the City Yard, this building roof, now approximately 40 years old, requires replacement due to structural deterioration. The facility is used for the transfer and processing of trash and debris, and these operations must comply with NPDES (National Pollutant Discharge Elimination System) and AQMD (Air Quality Management District) regulations.

#### **RECOMMENDATION**

Staff recommends that City Council approve the following:

- 1. Award Construction Contract for Project 2024-06, Refuse Building Roof Replacement, to WC Construction Services with a negotiated bid price of \$227,995.90.
- 2. Authorize the City Manager to execute the Construction Contract with WC Construction Services in a form approved by the City Attorney.
- 3. Authorize total project budget of \$300,000.00: \$227,995.90 for the construction contract, \$45,599.18 (20%) for contingency, and \$26,404.92 for construction and engineering services.
- 4. Approve Project Plans and specifications for Construction Contract 2024-06, on file in the Public Works Department.

#### **FISCAL IMPACT**

Construction Contract 2024-06 Refuse Building Roof Replacement budget of \$300,000 was allocated in the FY 2024-25 budget from Infrastructure funds (Fund 12).

Should Council move forward with Construction Contract 2024-06 Refuse Building Roof Replacement Project, the total project budget will include the contract construction costs, as well as 20% Contingency, and \$26,404.92 for construction and engineering service. Incorporating WC Construction Services proposal, the project budget is as follows:

Construction Proposal \$227,995.90 Engineering Services & Inspection \$26,404.92 Project Contingency, (20%) \$45,599.18 Total Project Budget: \$300,000.00

The anticipated total construction project budget expenditure for CC2024-06 Refuse Building Roof Replacement Project is \$300,000.00.

#### **BACKGROUND**

The roof of the refuse building at the City Yard is approximately 40 years old and requires replacement due to structural deterioration. The building is used for transfer and processing of trash and debris. These operations are required to be covered per National Pollutant Discharge Elimination System (NPDES) and Air Quality Management District (AQMD) regulations. Construction Contract 2024-06 for the Refuse Roof Replacement Project includes the following tasks:

- Bracing the existing reinforced concrete walls of the building.
- Removing and replacing the existing structural open-web roof trusses, plywood roof deck, and composition roofing.
- Disposing of collected debris at a legal disposal site.
- Furnishing all labor, materials, tools, equipment, transportation, and all incidental work and services required to replace the roof.

Project CC2024-06 was formally publicly bid, with only one bidder responding. At the City Council meeting on August 13, 2024, the City Council declared the bid non-responsive because the contractor was not registered with the Department of Industrial Relations, as required by PCC 10164 and Labor Code Section 1771.1 of the Public Contract Code.

Since the City did not receive a responsive bid PCC 22088(c) allows staff to negotiate a contract with a qualified contractor.

"22038. (c) If no bids are received through the formal or informal procedure, the project may be performed by the employees of the public agency by force account or negotiated contract without further complying with this article."

#### **DISCUSSION/ANALYSIS**

City staff requested informal bids from WC Construction Services, Eco Grizzly, and BEST Contracting Services. However, only WC Construction Services and Eco Grizzly submitted complete proposals.

The proposal results are as follows:

Proposal	Contractor	Construction Bid
1	WC Construction Services	\$227,995.90
2	Eco Grizzly	\$320,400.00

Following the proposal results, staff reviewed the negotiated price submitted by the lowest responsible bidder, WC Construction Services. It was confirmed through the State Contractor's License Board that Contractor License #835696, Class B, is current and active, with an expiration date of June 30, 2025. Additionally, the contractor is registered with the Department of Industrial Relations, as required by law (Contractor's Registration No. 1000060518). Staff also checked the references provided, and WC Construction Services has successfully completed multiple projects for various agencies. Furthermore, WC Construction Services have executed several structural and roofing projects within the City. Once the project bond has been submitted, City staff will verify that it has been issued by an admitted surety, as required by Public Contract Code 20170.

WC Construction Services is the contractor whose original bid was disqualified for not being registered with the Department of Industrial Relations. The negotiated bid amount is the same price as received when the project was publicly bid. WC Construction Services did obtain their Department of Industrial Relations prior to submitting the negotiated price.

#### **ALTERNATIVES**

The City Council may choose not to award or authorize the construction budget for Construction Contract 2024-06, the Refuse Building Roof Replacement Project. If funding allocated for this project is redirected, it could be used for other future repairs. However, due to the roof's deteriorating condition, it is critical that the replacement work be completed before the storm season. Failure to address the roof's issues could lead to the refuse building being red-tagged or closed due to structural concerns.

#### **ENVIRONMENTAL REVIEW**

This item is Categorically Exempt under the California Code of Regulations, Title 14, Section 6, Chapter 3, Article 19, Section 15301 Existing Facilities Class 1 operations which consists of the operation, repair, maintenance or minor alteration of existing public or private facilities involving negligible or no expansion of existing or former use.

Respectfully submitted,

Peter Jacoy Assistant Engineer

#### EXHIBIT LEVINE ACT/GC 84308 DISCLOSURE

California Government Code section 84308, commonly referred to as the Levine Act, prohibits any City of San Dimas Officer¹ ("Officer") from taking part in any action related to a contract if the Officer received a political contribution totaling more than \$500 within the previous twelve months, and for twelve months following the date a final decision concerning the contract has been made, from the person or company awarded the contract or their agent. The Levine Act also requires parties involved in such contracts to disclose any contributions made to the Officer. The Levine Act does not apply to competitively bid, labor, personal employment contracts, contracts valued under \$50,000, contracts between government agencies, or contracts where no party receives financial compensation.

☐ A. The Levine Act/GC 84308 DOES NOT apply to this Agreement.

B. The Levine Act/GC 84308 does apply to this Agreement and the required disclosure is as follows:

Current Officers can be located on the City of San Dimas' websites below:

- Mayor & Council Welcome to San Dimas, CA (sandimasca.gov)
- Planning Commissioners Welcome to San Dimas, CA (sandimasca.gov)

The party making this certification is responsible for determining whether a recipient of a political contribution is an Officer prior to answering the following questions:

1. Have you or your company, or any participant or agent on behalf of you or your company, made any political contributions totaling more than \$500 to any Officer in the 12 months preceding the date you submitted your proposal, the date you completed this form, or the anticipated date of any Council action related to this Agreement?

# **Agenda Item Staff Report**

**To:** Honorable Mayor and Members of City Council

For the Meeting of March 25, 2025

From: Brad McKinney, City Manager

**Prepared by:** Michael O'Brien, Director of Administrative Services

**Subject:** Approve Supplemental Budget Appropriations for the Cable Operating Room

Cooling System, Color Plotter, San Dimas Canyon Sidewalk Project, and Grant

Funding for CDBG Housing Rehabilitation Program

#### **SUMMARY**

Staff requests supplemental budget appropriations to account for expenditures that will be taking place in the current fiscal year.

#### RECOMMENDATION

Staff recommends the following:

1. Approve the supplemental appropriations as presented in Attachment 1.

#### **GOVERNMENT CODE §84308 APPLIES:**

https://leginfo.legislature.ca.gov No

#### **FISCAL IMPACT**

There will be no fiscal impact on the estimated ending year fund balance as a result of the proposed supplemental appropriations.

The proposed expenditure amendments are being offset by additional grant revenues or by shifting funds from accounts where planned purchases have been delayed or canceled.

The final amendment was projected to be completed in the prior year but was not completed until the current fiscal year. Funds should have been carried over in October 2024, but the line item was inadvertently omitted during the initial carryover process.

Request for Approval of Requested Supplemental Budget Appropriations Page 2 For the Meeting of March 25, 2025

#### **DISCUSSION/ANALYSIS**

The fund 40 increase in expenditures of \$35,359 is being offset by additional grant funding of an equal amount. The budget appropriation is to account for the increases of both the revenues and expenditures.

Budgets are being reduced from accounts that had funding allocated for potential expansion of the City Security Camera system, additional or replacement telephone equipment and maintenance costs that will not take place in the current fiscal year in order to fund a cooling unit that was necessary to protect the cable operating room equipment that was purchased as part of the Council Chamber room upgrade. Additionally, the color plotter used to produce blueprints and technical drawings needs to be replaced.

Lastly, the San Dimas Canyon sidewalk replacement project, budgeted last fiscal year but completed this fiscal year, was inadvertently omitted from the carryover list approved in October 2024. This amendment is to correct the omission and carry forward the available budget from last fiscal year to cover the expenses charged in the current fiscal year.

#### **ALTERNATIVES**

Council may elect not to approve the amendments which would create expense overages in certain accounts that could be noted as purchases without budget authority on the annual financial report.

#### **ENVIRONMENTAL REVIEW**

Pursuant to CEQA guidelines Section 15061 (b)(3), CEQA does not apply to this item because there is no potential for causing a significant effect on the environment. Therefore, no additional environmental review is needed at this time.

Respectfully submitted,

From: Brad McKinney, City Manager

**Prepared by:** Michael O'Brien, Director of Administrative Services

**Subject:** Approve an Increase to the Capitalization Threshold for Fixed Assets from

\$5,000 to \$10,000

#### SUMMARY

The City of San Dimas maintains a Capitalization Policy that establishes the minimum threshold for capitalizing fixed assets. Currently, the threshold is set at \$5,000. In alignment with the Federal Government's decision to increase its capitalization threshold to \$10,000 effective October 1, 2024, staff recommends increasing the City's capitalization threshold for fixed assets to \$10,000. This adjustment will improve financial efficiency and align the City's policies with federal standards.

#### **RECOMMENDATION**

Staff recommends that the City Council approve the following:

 Adopt Resolution 2025-15, Approving the increase of the capitalization threshold for fixed assets from \$5,000 to \$10,000.

#### **GOVERNMENT CODE §84308 APPLIES:**

https://leginfo.legislature.ca.gov No

#### **FISCAL IMPACT**

The proposed increase in the capitalization threshold will result in fewer assets being recorded as capital assets, thereby reducing administrative efforts related to asset tracking and depreciation calculations. This change is expected to improve efficiency in financial reporting without any adverse fiscal impact on the City's budget.

#### **BACKGROUND**

The City of San Dimas adheres to financial policies that ensure accurate and efficient asset management. The current capitalization threshold for fixed assets was previously established at \$5,000. However, with evolving financial standards, the Federal Government increased its capitalization threshold to \$10,000 effective October 1, 2024. Given the City's commitment to sound financial management, updating the City's threshold to align with federal standards is a prudent measure.

#### **DISCUSSION/ANALYSIS**

Increasing the capitalization threshold will allow the City to allocate financial and administrative resources more effectively by reducing the volume of lower-cost assets subject to capitalization and depreciation tracking. This policy adjustment will not affect the City's ability to manage and maintain accountability for assets under \$10,000 but will shift such assets to be recorded as operational expenses instead of capital assets. The Administrative Services Department has reviewed and supports this change, citing improved efficiency and consistency in financial reporting.

#### **ALTERNATIVES**

The City Council may elect to deny the Resolution and retain the capitalization threshold at \$5,000.

#### **ENVIRONMENTAL REVIEW**

Pursuant to CEQA guidelines Section 15061 (b)(3), CEQA does not apply to this item because there is no potential for causing a significant effect on the environment. Therefore, no additional environmental review is needed at this time.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN DIMAS, COUNTY OF LOS ANGELES, AMENDING THE CITY'S CAPITALIZATION THRESHOLD FOR FIXED ASSETS FROM \$5,000 TO \$10,000

**WHEREAS**, the City of San Dimas maintains a Capitalization Policy that establishes the threshold for capitalizing fixed assets; and

**WHEREAS**, the current capitalization threshold for fixed assets in the City of San Dimas is set at \$5,000; and

**WHEREAS**, the Federal Government increased its capitalization threshold for fixed assets from \$5,000 to \$10,000 effective October 1, 2024; and

WHEREAS, aligning the City's capitalization threshold with the Federal Government's standard will enhance consistency, streamline financial reporting, and improve administrative efficiency; and

**WHEREAS,** increasing the capitalization threshold to \$10,000 will ensure that the City of San Dimas focuses its financial reporting and asset management resources on more significant capital assets; and

**WHEREAS**, this change has been reviewed by the City's Finance Department and is recommended for implementation to maintain compliance with updated governmental financial reporting standards;

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of San Dimas does hereby amend the City's Capitalization Policy to increase the threshold for capitalizing fixed assets from \$5,000 to \$10,000, effective immediately.

Angeles County Sheriff's Deputy, David L. Campbell.

#### **SUMMARY**

The City Council will consider naming the City's skate park after former Los Angeles County Sheriff's Deputy, David L. Campbell.

#### RECOMMENDATION

City staff recommends the City Council:

- Approve Resolution 2025-16 Naming the City's skate park after Deputy Dave L. Campbell.
- 2. Appropriate \$1,000 for the purchase and installation of a dedication plaque.

#### **GOVERNMENT CODE §84308 DOES NOT APPLY:**

#### **FISCAL IMPACT**

The fiscal impact is dependent on City Council action. If the City Council approves the recommended action, the fiscal impact will be \$1,000 for the purchase and installation of a dedication plaque.

#### **BACKGROUND**

Deputy David L. Campbell joined the Los Angeles County Sheriff's Department on October 28, 1974. He retired as a full-time deputy in 2003, later returning as a reserve deputy before retiring from the San Dimas Station on May 21, 2018. A proud veteran who served honorably in the United

States Marine Corps, Mr. Campbell was a deeply engaged community member, earning the nickname by some as "Mr. San Dimas" for his unwavering dedication to the city.

One of Mr. Campbell's most significant contributions to San Dimas was his relentless push for the development of the city's skate park. Prior to its construction in 1999, local skaters had no designated space to safely practice their sport. Recognizing this need while serving as a Sheriff's Deputy, Mr. Campbell became the leading force behind the project, championing the idea and advocating tirelessly to make it a reality. His passion and persistence ensured that San Dimas youth would have a dedicated, safe venue to skate—leaving a lasting impact on the community.

#### **DISCUSSION/ANALYSIS**

This item was agendized for discussion at the request of City Council Member Vienna. The City of San Dimas currently does not have a facility naming policy in place. If the City Council wishes to proceed with naming the facility after Mr. Campbell, staff recommends appropriating \$1,000 to install a dedication plaque at the skate park.

#### **ALTERNATIVES**

- Maintain the Current Status: The City Council could decide not to name the City's skate
  park after former Los Angeles County Sheriff's Deputy Dave L. Campbell. Under this
  alternative, the skate park would remain open for residents and would not be named after
  any individual.
- Dedicate the Skate Park to an Alternative Individual: The City Council could also decide to dedicate the facility to an individual other than Mr. Campbell.
- Install a Dedication Plaque without Renaming: The City Council could decide to install a dedication plaque at the skate park without officially renaming the skate park. This option would require the appropriation of \$1,000 for the purchase and installation of a dedication plaque.

#### **ENVIRONMENTAL REVIEW**

Pursuant to CEQA guidelines Section 15061 (b)(3), CEQA does not apply to this item because there is no potential for causing a significant effect on the environment. Therefore, no additional environmental review is needed at this time.

**Subject:** Introduce Ordinance 1317, Adding a New Chapter 8.15 to the San Dimas

Municipal Code to Establish Standards for the Management and Retrieval of

Shopping Carts in the City

#### **SUMMARY**

The proposed ordinance establishes standards for shopping cart management and retrieval to reduce abandoned carts in public spaces. It requires businesses to implement measures to prevent cart removal and retrieve abandoned carts. Staff conducted outreach to affected businesses, provided information, and gathered feedback. The Sheriff's Department reviewed the ordinance and provided input on enforcement. The ordinance includes options for identifying carts and enforcement mechanisms in alignment with state law.

#### **RECOMMENDATION**

Staff recommends that the City Council:

Introduce Ordinance 1317 and read by title.

#### **GOVERNMENT CODE §84308 APPLIES:**

https://leginfo.legislature.ca.gov No

#### **FISCAL IMPACT**

There is no direct fiscal impact from this ordinance. Initially, the most significant impact will be related to staffing as the proposed ordinance touches almost every City department including Community Development who will review the Shopping Cart Retrieval Plans submitted by each business, Parks and Recreation who oversees Landscape Maintenance, including the collection and storage of the abandoned carts; and Code Compliance who interfaces with the public and businesses on many of the blight related issues. Although the ordinance will involve several departments, once implemented, the impact is expected to be minimal.

Introduce Ordinance 1317, Adding a New Chapter 8.15 to the San Dimas Municipal Code to Establish Standards for the Management and Retrieval of Shopping Carts in the City Page 2 For the Meeting of March 25, 2025

#### **BACKGROUND**

The issue of abandoned shopping carts has been an ongoing concern for the City, creating hazards for pedestrians and vehicular traffic, cluttering public spaces, and contributing to urban blight. The City currently collects 12 to 24 abandoned carts per week, despite ongoing retrieval efforts. When left unattended, carts obstruct sidewalks, roadways, and parks, posing safety concerns for residents and visitors.

This item was previously presented to the City Council on October 22, 2024. At that time, the Council discussed the proposed ordinance but opted not to introduce it, citing concerns about business outreach, enforcement clarity, and the impact on retailers. Council directed staff to conduct additional outreach to affected businesses and seek input from the Sheriff's Department regarding enforcement. There was also discussion about whether additional requirements, such as mandatory cart etching, should be included.

Since that meeting, staff has engaged in direct outreach efforts, including mailing notices to affected businesses and conducting in-person visits to discuss the ordinance. Staff also worked with the Sheriff's Department to review the enforcement provisions of the ordinance. Based on these efforts, the item is being brought back to the City Council for reconsideration with updated information.

The City's proposed ordinance seeks to address these concerns by requiring businesses with ten or more shopping carts to develop and implement a Shopping Cart Retrieval Plan (SCRP). The SCRP ensures businesses take proactive measures to prevent cart loss, retrieve abandoned carts, and maintain accountability. These plans allow for flexibility in compliance, enabling businesses to tailor their strategies to their specific operations.

#### **DISCUSSION/ANALYSIS**

State law (California Business and Professions Code Section 22435 et seq.) allows cities to regulate abandoned shopping carts but limits the ways enforcement can be carried out. While the removal of a shopping cart from a business premises is classified as a misdemeanor, prosecution is challenging because businesses often decline to press charges, and case law has made it difficult to enforce cart theft against homeless individuals.

To improve compliance and minimize abandoned carts, the proposed ordinance requires businesses to implement measures such as wheel-locking mechanisms, designated cart retrieval services, or security monitoring. These strategies have been effective in other jurisdictions in reducing the number of carts removed from business premises.

Staff conducted direct outreach to affected businesses by mailing notices and visiting businesses in person to discuss the ordinance with management and employees. This outreach allowed staff to answer questions, gather feedback, and ensure businesses understood the ordinance requirements.

The Sheriff's Department reviewed the ordinance and raised questions regarding enforcement, specifically regarding the City's discretion in prosecuting violations. The ordinance allows for enforcement through citations, administrative fines, or impoundment procedures, depending on the circumstances.

Introduce Ordinance 1317, Adding a New Chapter 8.15 to the San Dimas Municipal Code to Establish Standards for the Management and Retrieval of Shopping Carts in the City Page 3 For the Meeting of March 25, 2025

There was also consideration of requiring businesses to etch unique identifiers onto their carts to facilitate retrieval. However, staff research found no cities that mandate cart etching, although there were ordinances in which etching is described as an optional practice. Businesses may voluntarily adopt cart etching as part of their retrieval strategy, but it is not included as a requirement in the drafted ordinance. However, the ordinance has been updated to include "permanent etching" as a potential option for cart identification.

Enforcement remains a challenge, as businesses can be reluctant to take legal action, and an individual having possession of an unmarked shopping cart can complicate prosecution efforts. Other cities have encountered similar issues.

Staff recommends that the City continuously assess enforcement strategies and implement additional outreach efforts to encourage compliance. This includes ongoing public education on the ordinance, as well as regular reminders about key deadlines, such as shopping cart plan submissions and ordinance implementation milestones.

#### **ALTERNATIVES**

- 1. Maintain Current Approach: The City could choose to not adopt the proposed ordinance and continue to rely on existing state law (CA B&P Section 22435 et seq.) to manage abandoned shopping carts. While this approach would maintain the status quo, it may not fully address the increasing number of abandoned carts or provide the local control needed to reduce nuisance and public safety concerns.
- 2. Enhanced City Efforts Without Ordinance: The City could increase cart retrieval efforts by having staff conduct more frequent surveys of the City, alongside the existing My San Dimas app and reporting system. However, this approach would significantly increase the demand on staff time without addressing a key issue shopping carts often lack proper identification, making it difficult to return them to the appropriate business.
- 3. Adopt a Modified Version: The City could consider modifications to the proposed ordinance based on City Council feedback.
- 4. Implement Educational Campaign: Instead of an ordinance, the city could initiate an education campaign targeting businesses and residents about responsible shopping cart use and retrieval. This would necessitate the need for additional advertising and marketing which may increase general fund costs.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SAN DIMAS, COUNTY OF LOS ANGELES, CALIFORNIA, ADDING A NEW CHAPTER 8.15 TO THE SAN DIMAS MUNICIPAL CODE TO ESTABLISH STANDARDS FOR THE MANAGEMENT AND RETRIEVAL OF SHOPPING CARTS WITHIN THE CITY

**WHEREAS**, the City Council of the City of San Dimas recognizes the need to address issues related to abandoned shopping carts in our community; and

**WHEREAS**, the presence of abandoned, stolen, wrecked and/or dismantled shopping carts on public and private property creates visual blight, is aesthetically detrimental to the community, is injurious to the general welfare of the citizens of San Dimas, and constitutes a public nuisance; and

**WHEREAS**, the City Council of the City of San Dimas further finds and declares that the City's retrieval of abandoned, stolen, wrecked, and/or dismantled shopping carts is a drain on resources; and

WHEREAS, the California Business & Professions Code Sections 22435 et seq. set forth procedures for the retrieval and abatement of shopping carts, and cost recovery for such abatement; and

WHEREAS, the City Council and the City of San Dimas believes that it is in the public interest and welfare to add a new Chapter 8.15 of the San Dimas Municipal Code to establish standards for the management and retrieval of shopping carts within the City; and

# NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN DIMAS DOES ORDAIN AS FOLLOWS:

- **A.** The establishment of standards for the management and retrieval of shopping carts will not adversely affect adjoining property values or be detrimental to the area. The proposed ordinance will mitigate issues related to abandoned carts and enhance the overall appearance of commercial areas.
- **B.** The proposed ordinance will further the public health, safety, and general welfare. Implementing these standards will reduce the presence of abandoned carts in public spaces and promote a cleaner, safer environment for residents and visitors.
- **C.** The City Council of the City of San Dimas hereby finds and determines that all the above recitals are true and correct and incorporates such recitals into the ordinance.

**SECTION 1. ADOPTION.** The City Council hereby adopts a new Chapter 8.15 to be added to the San Dimas Municipal Code, as set forth in Exhibit A, attached hereto and incorporated herein, to establish standards for the management and retrieval of shopping carts within the City.

<u>SECTION 2. SEVERABILITY.</u> If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance is, for any reason, held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have adopted this Ordinance and each section, subsection, subdivision, sentence, clause, phrase, or portion

Ordinance 1317 Page 2 Adding New Chapter 8.15 Establishing Standards for the Management and Retrieval of Shopping Carts

thereof, irrespective of the fact that any one or more section, subsection, subdivision, sentence, clause, phrase, or portion thereof be declared invalid or unconstitutional.

**SECTION 3. EFFECTIVE DATE AND PUBLICATION.** This Ordinance shall take effect 30 days after its final passage. The City Clerk shall certify to the adoption of this Ordinance and cause the same to be posted at the duly designated posting places within the City and published once within 15 days after passage and adoption as may be required by law in a newspaper of general circulation in the City of San Dimas hereby designated for that purpose; or, in the alternative, the City Clerk may cause to be published a summary of this Ordinance, and a certified copy of the text of this Ordinance shall be posted in the Office of the City Clerk five days prior to the date of adoption of this Ordinance; and, within 15 days after adoption, the City Clerk shall cause to be published the aforementioned summary and shall post a certified copy of this Ordinance, together with the vote for and against the same, in the Office of the City Clerk.

Adding New Chapter 8.15 Establishing Standards for the Management and Retrieval of

Shopping Carts
March 25, 2025

#### 8.15.010 Purpose

Abandoned shopping carts constitute a nuisance, create potential hazards to the public health and safety and interfere with pedestrian and vehicular traffic within the City. Wrecked, dismantled and/or abandoned shopping carts on public or private property create conditions that reduce property values and promote blight and deterioration within the City's neighborhoods.

The purpose of this Chapter is to ensure that measures are taken by cart owners to prevent the removal of shopping carts from store premises and parking lots and to facilitate the retrieval of abandoned carts as permitted by State law.

#### 8.15.020 Applicability

This section applies to:

- a) Any business within the City that provides or maintains 10 or more shopping carts for customer use on the premises of a business establishment at any one location;
- b) Any person in possession of an abandoned shopping cart off premises.

#### 8.15.030 Definitions

The following definitions shall apply to this Chapter:

- A. "Abandoned Shopping Cart" means any cart removed from a business establishment's premises without the written permission of the owner and located on either public or private property. This does not apply to carts that are removed for purposes of repair or maintenance.
- B. "Cart" means the same as shopping cart.
- C. "City" means the City of San Dimas or its designated representatives.
- D. "Identified Shopping Cart" means a shopping cart that has permanently affixed sign that identifies, in accordance to section 8.15.050, the owner of the cart or the retailer or both.
- E. "Owner" means a person or establishment providing shopping carts for customers to use.
- F. "Parking Area" means a parking lot or other property provided by a retail establishment for use by a customer for parking an automobile or other vehicle. In a multi-store complex or shopping center, "parking area" includes the entire parking area used by or controlled by the complex or center.
- G. "Parkway" means that area between the sidewalks and the curb of any street, and where there is no sidewalk, that area between the edge of the roadway and the property line adjacent thereto. Parkway shall also include any area within a roadway which is not open to vehicular travel.
- H. "Premises" means the entire area owned under the control of the business owner, including the parking area or other off-street parking.

Ordinance 1317 Page 5

Adding New Chapter 8.15 Establishing Standards for the Management and Retrieval of Shopping Carts
March 25, 2025

- I. "Public Property" means and includes, but is not limited to, all areas dedicated to public use for public facilities, parks, schools, public streets, roadways, parkways, alleys, sidewalks, flood control channels and any public right-of-way.
- J. "Retail Establishment" or "Business Establishment" means any trade establishment selling goods, articles, commodities, services, or any type of merchandise where shopping carts are made available for and used by patrons and/or the public.
- K. "Shopping Cart" means a basket which is mounted on wheels or a similar device generally used in a retail establishment by a customer for transporting goods of any kind from the display area to the register, then to the customer's vehicle on the premises; not for off-premises transportation of merchandise.
- L. "Shopping Cart Plan" means a document submitted by the owner of the cart to the City pursuant to Section 8.15.070.

#### 8.15.040 Declaration of Public Nuisance

The spread of abandoned shopping carts on public and private property causes blighted conditions in many areas of the City and results in the obstruction of public and private sidewalks, streets, parking lots, park spaces, and other areas, thereby creating hazards to the health and safety of the public. The City declares abandoned shopping carts to be a public nuisance.

#### 8.15.050 Identified Shopping Cart Requirements

All shopping carts provided by a business are subject to the requirements of this Chapter and shall be properly identified by the owner thereof in accordance with Section 22435.1 of the California Business and Professions Code and include at minimum the following:

- a) A permanently affixed sign or permanent etching that identifies the owner of the cart or the retailer, or both.
- b) A valid address or telephone number that clearly identifies the cart owner for returning the cart removed to the owner or retailer.
- c) Notice to the public that unauthorized removal of the shopping cart from the premises of the business establishment, or unauthorized possession of the shopping cart, is a violation of State laws and a violation of City ordinance.
- d) Provides notice to the public of the procedure to be utilized for authorized removal of the shopping cart from the premises.

#### 8.15.060 Unlawful Removal or Possession of Carts

A. It is unlawful for any person other than a shopping cart owner or its authorized representative to do any of the following acts, if a shopping cart is an identified shopping cart:

Shopping Carts March 25, 2025

- 1) To remove or cause to be removed any shopping cart from a retail establishment or a parking area without the prior written consent of the owner.
- 2) To possess any shopping cart that has been removed from a parking area without the prior written consent of the shopping cart owner or retail establishment, with the intent to temporarily or permanently deprive the owner of possession of the cart.
- 3) To alter, convert, or tamper with any shopping cart, or remove any part or portion thereof, or remove, obliterate or alter any identification, including but not limited to any serial numbers, or to possess any cart that has been altered, converted, or tampered with or whose identification has been removed, obliterated, or altered, with the intent to temporarily or permanently deprive the owner or retailer of possession of the cart without the prior written consent of the cart owner.
- 4) To abandon or leave any cart, which has been removed from a business establishment or a parking facility, upon any public property or upon any private property that is not the premises of the retail establishment or the parking facility.
- 5) For purposes of all provisions in this Chapter, any person removing a cart from the retail establishment or parking area with consent of the cart owner shall carry a copy of such written consent on their person.
- B. The possession of a shopping cart by a licensed shopping cart retrieval service, including a contractor or agent of the city, for purposes of retrieving a shopping cart shall not be a violation of this Section.

#### 8.15.070 Mandatory Shopping Cart Plan

Every owner of a business subject to the requirements of this Chapter shall develop and implement a shopping cart plan in accordance with this Section and Section 8.15.080. Two or more businesses may collaborate and submit a single plan. The shopping cart plan shall be provided to the Director of Community Development upon request for review and approval and at a minimum include the following elements:

- A. Shopping Cart Identification. Name, address, and telephone number of the business, and the name, email address, and telephone number of the on-site manager or designated agent.
- B. Shopping Cart Inventory. The number of on-site shopping carts held by the business, and a signed affidavit stating all carts will be in compliance with the shopping cart identification requirements listed in Section 8.15.050.
- C. Employee Training. A description of employee-training program to educate existing and new employees about the shopping cart plan.
- D. Notice to Customers. A description of the notification method(s) used to communicate to the public that unauthorized removal of a cart from the business premise is a violation of state law and the San Dimas Municipal Code. The method(s) used may include, but are not limited to, prominently displayed signage posted at each customer exit, printed on store shopping bags, printed on sales receipt, or other method approved by the City.
- E. Loss Prevention Measures. A description of the measures that the owner will implement to prevent the removal of shopping carts from the premises. These measures may include, but are

Ordinance 1317

Adding New Chapter 8.15 Establishing Standards for the Management and Retrieval of Shopping Carts

not limited to, devices on shopping carts that automatically disable them if they are removed from the premises, designation of certain employees tasked to prevent the removal of shopping carts from the premises by assisting patrons with transporting groceries or merchandise to patrons' vehicles and then returning shopping carts to the location where the retail establishment keeps the shopping carts, installation of obstacles to prevent the removal of shopping carts, prohibiting shopping carts outside the building of the business unless accompanied by an employee, and bollards around the premises to prevent cart removal, collection of security deposits for use of all shopping carts, or the rental or sale of utility carts that can be temporarily or permanently used to transport purchases.

F. Retrieval Measures. Specific measures for the retrieval of abandoned carts by its employees, or proof that the owner has entered into a contract for shopping cart retrieval services.

#### 8.15.080 Shopping Cart Plan Timeline and Approval Process

A proposed shopping cart plan shall be submitted to the City's Community Development Department within ninety (90) days following the effective date of this Chapter. Any establishment that opens after the effective date of this Chapter will have thirty (30) days from the issuance of their City business license application to submit a shopping cart plan to the Community Development Department for approval.

If a proposed shopping cart plan is rejected as incomplete or inadequate, or if additional information is needed, the City will notify the owner within thirty (30) days from the date of the plan submission. The owner has thirty (30) days to submit the additional information or a complete or adequate plan. The Director of Community Development may reject or deny a plan on any of the following grounds:

- a) The plan fails to include the information required under this Section or fails to adequately address the required elements.
- b) The plan fails to address any special or unique conditions due to the geographical location of the premises as they relate to cart retention and prevention efforts.
- c) Implementation of the plan violates this Chapter, or State or Federal law.
- d) The owner knowingly makes a false statement or omits relevant facts in the plan, or in any amendment or attachment or report.

The Director of Community Development's denial of a proposed shopping cart plan shall be final, unless appealed to the City Manager within fourteen (14) days. The City Manager shall review the director's determination and render a written decision within thirty 30) days, which shall be the final administrative decision. Upon notice to the owner that the City has approved the prevention plan, the owner has thirty (30) days to implement the shopping cart plan at their establishment.

#### 8.15.090 Plan Modification

Proposed amendments or modifications to a previously approved shopping cart plan shall be submitted to the City's Community Development Department by the owner for approval prior to implementation of any proposes changes to a previously approved shopping cart plan. The City

Ordinance 1317

may require a business to submit a plan modification due to repeat impoundments or to modify ineffective provisions. The City shall review and consider the modification in the same manner set forth in Sections 8.115.070 and 8.15.080, and all modifications shall comply, at minimum, with the shopping cart plan requirements specified in Section 8-15-070.

#### 8.15.100 Revocation of Plan

The Director of Community Development may revoke an approved shopping cart plan on any of the following grounds:

- a) The plan fails to address any changed circumstances related to cart retention and prevention efforts.
- b) The owner has failed to comply with a provision of this Chapter.
- c) The owner knowingly made a false statement or fails to disclose relevant information in an application, an amendment or in a report to the City.

The Director of Community Development's revocation of a shopping cart plan shall be final, unless appealed to the City Manager within fourteen (14) days. The City Manager shall review the director's determination and render a written decision within thirty (30) days, which shall be the final administrative decision.

Business owners whose plans have been revoked are subject to penalties as provided in Section 8.15.110.

#### 8.15.110 Penalties for Failing to Submit or Implement a Prevention Plan

In addition to the penalties set forth in this Chapter, any owner who fails to submit a shopping cart plan, implement the shopping cart plan or implement any required modifications to the shopping cart plan as required by the City, within the time frames as specified in this Chapter, may be subject to enforcement of these requirements as set forth in Section 8.15.160. Each day during which an owner does not have an approved shopping cart plan consistent with the requirements of this Chapter shall constitute a separate violation.

Additionally, any owner who fails to submit a shopping cart plan, implement the shopping cart plan or implement any modifications to the shopping cart plan as required by the City, within the time frames as specified in this Chapter, may be required by the City to place disabling devices on all shopping carts owned, leased or used by the business establishment to prevent removal of shopping carts. Installation of disabling devices shall take place within sixty (60) days of the date of service of a notice of violation from the City. Any owner who fails to install disabling devices as required by the City shall be subject to the enforcement procedures as specified in Section 8.15.160, including but not limited to criminal infraction or misdemeanor prosecution.

#### 8.15.120 Authority to Impound Abandoned Cart

A. When a shopping cart is left standing for any time frame on any public or private property, the shopping cart shall be deemed to be abandoned and therefore a public nuisance pursuant to this Chapter.

Ordinance 1317 Page 9
Adding New Chapter 8.15 Establishing Standards for the Management and Retrieval of

Shopping Carts March 25, 2025

B. The City shall have the authority to immediately remove and impound any shopping cart on public or private property located outside the premises or parking area of a retail establishment and that is an identified shopping cart under the following conditions:

- The cart owner, or its agent or manager, is provided actual notice within twentyfour (24) hours following the impound. Notification may be provided in person, by phone, or by email, and the City shall document the notification used for each impounded cart.
- 2) The notification shall inform the cart owner, or its agent or manager, as to the location where the cart may be claimed.
- 3) Impounded carts shall be held at a location designated by the City which is reasonably convenient to the cart owner and open for at least six (6) hours of each business day.
- 4) Any cart reclaimed by the cart owner within three (3) City business days following the date of actual notification as provided pursuant to this Section, shall be released and surrendered to the owner or its agent at no charge whatsoever, including the waiver of any redemption fees that would otherwise be applicable pursuant to Section 8.15.130. Any cart reclaimed by the owner or its agent within three (3) City business days following the date of actual notice as provided pursuant to this Section, shall not be deemed an "occurrence" under Section 8.15.130.
- 5) Any cart not reclaimed by the cart owner or its agent within three (3) City business days following the date of actual notice as provided pursuant to this Subsection B, shall be subject to the collection of costs under Section 8.15.130 commencing on the fourth business day following the date of notice.
- C. As an alternative to the procedure described in Subsection B of this Section, the City may remove and impound any shopping cart on public or private property located outside the premises or parking area of a retail establishment and that is an identified shopping cart under the following conditions:
  - The shopping cart is not retrieved within 3 business days from the date the cart owner receives actual notification of the shopping cart's discovery and location. Notification to the cart owner, or its agent or manager, may be provided in person, by phone, or by email, and the City shall document the notification used for each impounded cart.
  - 2) Impounded shopping carts shall be held at a location designated by the City which is reasonably convenient to the cart owner and open for at least 6 hours of each business day.
  - 3) Any shopping cart impounded by the City pursuant to this Subsection C shall be subject to the collection of costs under Section 8.15.130.

Ordinance 1317 Page 10 Adding New Chapter 8.15 Establishing Standards for the Management and Retrieval of Shopping Carts
March 25, 2025

#### 8.15.130 Administrative Costs and Fines

Pursuant to Business and Professions Code Section 22435.7, any owner that fails to retrieve its abandoned cart(s) within 3 business days after receiving notice from the City shall pay the City's actual costs for retrieving the cart(s) and providing the notification to the owner. Additionally, where a shopping cart is impounded because its location impedes emergency services pursuant to Section 8.15.150, the owner shall pay the City's actual costs for retrieving the cart(s) and providing the notification to the owner. The administrative costs shall be set forth in the City's Master Fee Schedule.

Any owner who fails to retrieve abandoned carts in accordance with this Chapter in excess of three (3) times during a specified six-month period shall be subject to an additional fifty (\$50.00) dollar fine for each occurrence. An occurrence includes all carts owned by the owner that are impounded by the City in a one-day period. The "specified six-month period" shall be the six-month periods ending on June 30th and December 31st of each calendar year.

#### 8.15.140 Disposal of Abandoned Shopping Carts

Pursuant to State law, any shopping cart that is an identified shopping cart and that has been impounded by the City pursuant to Section 8.15.120 and not reclaimed from the City within thirty (30) days after notification to the owner may be sold or otherwise disposed of by the City or its agents as it sees fit.

If the shopping cart does not have a sign affixed to it in accordance with Section 8.15.050 and the owner cannot be reasonably ascertained, the shopping cart may be designated as "unidentified" and immediately impounded, sold, or disposed of by the City or its agents as it sees fit.

#### 8.15.150 Emergency Services

Pursuant to Business and Professions Code Section 22435.7(c), any City officer, employee, or agent may immediately retrieve any shopping cart from public or private property if its location impedes emergency services.

#### 8.15.160 Enforcement

Any person or business who violates the provisions of this Chapter is subject to any enforcement procedures permitted by law, including but not limited to: prosecution of a misdemeanor or an infraction, civil action for injunction, administrative enforcement procedures, including administrative citation, and revocation of a use permit if applicable.

#### 8.15.170 Records Required for Retrieval Services

Any person or business who engages in the business of shopping cart retrieval shall retain records showing written authorization from the owners to retrieve abandoned shopping carts and to be in possession of the shopping carts retrieved. A copy of the records showing written authorization shall be maintained in each vehicle used for abandoned shopping cart retrieval.

### The following information/questions are intended to assist in the preparation of the Shopping Cart Plan application:

#### 1. How does a business file its Shopping Cart Plan?

Businesses must complete the online application form available on the City's website (<a href="www.sandimasca.gov/shoppingcartplan">www.sandimasca.gov/shoppingcartplan</a>)

#### Each cart should have a permanently affixed sign indicating the following:

- The valid address, telephone number, or some other form of markings that clearly identifies the cart owner and contact information for the responsible party.
- Notice to the public that the unauthorized removal of the shopping cart from the premises of the business establishment, or the unauthorized possession of the shopping cart, is a violation of state and local laws.

### 2. What information must a business provide to demonstrate efforts are made to retain the carts on the businesses' property?

As part of the Shopping Cart Plan submission, businesses will provide information on the methods used to keep carts on their premise. A variety of methods may be used including disabling devices (the preferred method), employees dedicated for cart retrieval, parking lot security or other loss prevention measures as described by the business.

#### 3. What if the business uses a cart retrieval service?

- If a business utilizes a cart retrieval service (preferred method), the contact information for the service will need to be provided on the Shopping Cart Plan.
- If a business does not use a cart retrieval service, information on who to contact when carts are found abandoned will need to be provided on the Shopping Cart Plan.

#### 4. What other information is needed to complete the Shopping Cart Plan?

As part of the Shopping Cart Plan submission, businesses will provide information on the training/communication methods used to inform employees on the measures used in retaining carts on premise. Measures may include discussion at staff meetings, inclusion of training as part of employee orientation and/or is part of the employee handbook, or a combination of training methods.

#### **Business Feedback on Proposed Shopping Cart Ordinance**

#### Introduction

This document summarizes feedback received from businesses regarding the proposed Shopping Cart Ordinance which aims to establish standards for shopping cart management and retrieval. As part of the outreach process, staff distributed mailers and conducted in-person visits with affected businesses to inform them of the ordinance and gather input.

#### **Outreach Methodology**

- Mailers Sent: 18 mailers were sent out to outlining the proposed ordinance, including a timeline of public hearings, contact information from staff for feedback and questions, and a link to additional information on the City website.
- In-Person Visits: Staff conducted site visits to 18 businesses, speaking with managers or staff to address questions and collect feedback.
- **Follow-Ups:** Additional follow-ups were conducted with businesses that requested further clarification.

#### **Summary of Business Feedback**

#### 1. General Support

- Most businesses expressed general support for the ordinance, citing concerns over abandoned carts impacting public spaces.
- Businesses acknowledged that structured retrieval plans could improve efficiency and reduce cart loss.
- Almost all business expressed support for Ordinance language to cite individuals who
  are in possession of an identified shopping cart.

#### 2. Concerns Raised

- Implementation Challenges: Some businesses expressed concerns about retrieving carts from the City yard, citing a lack of resources to transport them back to their locations. Staff clarified that, as a common practice, the City's contractor, Urban Graffiti, typically returns identified carts to businesses on the same day. However, while this practice is followed consistently, it is not guaranteed. The ordinance maintains language requiring businesses to retrieve their carts within a reasonable timeframe.
- **Enforcement Issues:** Businesses raised concerns about the consistency of enforcement and whether penalties would be directed at businesses or individuals. Staff clarified that the ordinance is intended as a partnership rather than a punitive measure. The City will not conduct on-site inspections for compliance but will instead require businesses to submit a Shopping Cart Retrieval Plan (SCRP), allowing them to self-attest to their compliance.

 Additionally, businesses inquired about how the City would cite individuals who take shopping carts. Enforcement depends on various factors, including the frequency of violations and whether personal belongings are stored in the carts. To prosecute, the City must prove intent to steal and have sufficient evidence, which can be challenging. However, the ordinance provides additional tools for enforcement, allowing for greater control over cart retrieval and management.

#### 3. Suggestions & Requests

- **Alternative Solutions:** Several businesses suggested ensuring that Urban Graffiti can return carts on behalf of the business to help comply.
- **Flexibility in Compliance:** Businesses requested the ability to tailor cart management strategies to their operational needs.

#### **Next Steps**

Staff will continue to refine the ordinance based on Council direction and consider potential amendments to address business concerns. Additionally, businesses will be encouraged to provide ongoing feedback during the implementation phase.

Shopping Cart Management & Retrieval Ordinance

# <u>Tonight's Presentation</u> <u>Proposed Shopping Cart Ordinance</u>

- Purpose of Ordinance
- Outreach & Feedback
- Current Retrievals
- Shopping Cart Retrieval Plan
- Alternatives
- Conclusion
- Recommendation

## Purpose of Ordinance

- Address community concern about abandoned shopping carts.
- Minimize impacts on public works and facilities staff who assist in retrieval, disposal, and cart return.
- Enhance local control over shopping cart management and enforcement clarity.
- Reduce city costs while involving businesses in the solution.
- Implement a structured plan with compliance flexibility.

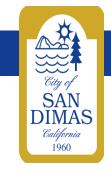

### Outreach & Feedback

- Outreach Conducted: Mailers sent, posted in newspaper, inperson visits made, and feedback gathered.
- Sheriff's Review: Provided input on enforcement.
- Business Feedback: Concerns over retrieval logistics and enforcement.
- General Support: Businesses understand the need and support the City's efforts.

### **Current Retrievals**

- City collects 12 to 24 carts per week, despite ongoing retrieval efforts
- Ordinance establishes a structured approach to minimize abandoned carts.

### **Enforcement Considerations**

- Sheriff's Department reviewed ordinance and raised enforcement questions.
- Prosecution requires proving intent, which can be challenging.
- Businesses raised concerns about penalties and enforcement consistency.
- The ordinance provides more enforcement flexibility for the City.

# **Shopping Cart Retrieval Plan (SCRP)**

- Businesses with more then 10 carts must submit a SCRP.
- Plans must identify prevention strategies, retrieval processes, and employee training.
- Carts must be marked with identification.
- No fee for submitting or modifying the SCRP.
- Have 90 days to submit SCRP upon effective date of ordinance.
- ✓ Estimated 18 retailers provide 10+ shopping carts.

### Alternatives to Consider

- Maintain current approach relying on state law.
  - Staff may educate new businesses on shopping cart state law upon registering with the City.
- Increase city cart retrieval efforts.
- Adopt a modified version of the ordinance.

### **Conclusion & Recommendation**

- Ordinance balances enforcement flexibility with business accountability.
- Proactively addresses abandoned carts while considering enforcement challenges.
- Provides long-term solution with minimal fiscal impact.

 Introduce Ordinance 1317 for first reading and waive full reading.
