The following is a description of project(s) for which the Housing Successor receives or holds property tax revenue pursuant to the ROPS as well as the status of the project(s):

VII. STATUS OF COMPLIANCE WITH SECTION 33334.16

Section 34176.1 provides that Section 33334.16 does not apply to interests in real property acquired by the Housing Successor on or after February 1, 2012; however, this Report presents a status update on the project related to such real property.

With respect to interests in real property acquired by the former redevelopment agency *prior* to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the Department of Finance approved the property as a housing asset in the LMIHAF; thus, as to real property acquired by the former redevelopment agency now held by the Housing Successor in the LMIHAF, the Housing Successor must initiate activities consistent with the development of the real property for the purpose for which it was acquired within five years of the date the DOF approved such property as a housing asset.

The following provides a status update on the real property or properties housing asset(s) that were acquired prior to February 1, 2012 and compliance with five-year period:

The former redevelopment agency's Implementation Plans are posted on the City's website at sandimasca.gov.

IX. EXTREMELY-LOW INCOME TEST

Section 34176.1(a)(3)(A) requires that the Housing Successor must require at least 30% of the LMIHAF (after monitoring and administration expenses and homeless housing expenses) to be expended for development of rental housing affordable to and occupied by households earning 30% or less of the AMI. If the Housing Successor fails to comply with the Extremely-Low Income requirement in any five-year report, then the Housing Successor must ensure that at least 50% of the funds remaining in the LMIHAF be expended in each fiscal year following the latest fiscal year following the report on households earning 30% or less of the AMI until the Housing Successor demonstrates compliance with the Extremely-Low Income requirement. This information is provided below for the 2020 – 2019 period.

At January 1, 2014 the Successor Housing Authority had a beginning available fund balance of \$422,041. From January 1, 2014 to June 30, 2019, the Successor Housing Authority has had deposits totaling \$4,610,367. The total available fund balance including new deposits from January 1, 2014 to 06/30/2019 is \$5,032,408, which represents the beginning base line for the extremely-low income test. From that number we deduct \$129,839 for monitoring and administrative expenditures as shown on page 4 above. The baseline for the 30% test is \$4,902,569. 30% of the baseline \$4,902,569 is \$1,470,771. The Housing Authority has spent \$2,448,558 on Housing Development Expenditures during the 2014-2019 five year look back period which has resulted in an ending fund balance of \$3,690,327. \$2,448,558 is equivalent to 50% of the baseline fund balance figure of \$4,902,569.

The next look back period for the extremely-low income test will take place at the end of the 2024-25 fiscal year. The look back will encompass the July 1, 2020 – June 30, 2025 five-year period.

The Housing Successor is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Housing Successor, the former redevelopment agency and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Successor, the former redevelopment agency and/or City within the same time period. If this percentage exceeds 50%, then the Housing Successor cannot expend future funds in the LMIHAF to assist additional senior housing units until the Housing Successor or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

The following provides the Housing Successor’s Senior Housing Test for the 10-year period of January 1, 2012 to January 1, 2022:

Senior Housing Test January 1, 2009 to January 1, 2019	
# of Assisted Senior Rental Units	10
# of Total Assisted Rental Units	10
Senior Housing Percentage	100%

XI. EXCESS SURPLUS TEST

Excess Surplus is defined in Section 34176.1(d) as an unencumbered amount in the account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the Housing Successor’s preceding four Fiscal Years, whichever is greater.

Per the auditor’s report the available fund balance on hand exceeds the amounts deposited into the Housing Successor over the past 4 years which totals \$1,631,889. The amount on hand is \$3,450,463 with \$81,650 of encumbrances which lowers the total available fund balance to \$3,368,813 which is \$1,736,924 above the threshold.
