FEDERAL PROJECT NO. STPL-5367 (015)

BADILLO STREET ET AL STREET IMPROVEMENT PROJECT
ADDENDUM NO. 2
October 08, 2026

No.	Question Received	Response
1.	Does this project have a DBE contract goal? If so, what is the required percentage?	There is no DBE contract goal for this project. Caltrans has temporarily suspended the DBE program.
2.	Is Exhibit 15-G – Construction Contract DBE Commitment required to be submitted with the bid?	No, Exhibit 15-G is not required. Caltrans has set the form as Currently Inactive.
3.	Is Exhibit 15-H – Good Faith Efforts required, or only applicable if a DBE goal has been established and is not met?	No, Exhibit 15-H is not required. Caltrans has set the form as Currently Inactive.
4.	Since there is no DBE goal, how should I complete the attached forms from appendix A? I would not be making a commitment since there is not a goal and I would not do a good faith since there is no goal. Would N/A on these forms suffice?	DBE forms and sections can be marked as "N/A" as Caltrans has temporarily suspended the DBE program.
5.	Can you please confirm if there is a DBE goal for this project since there is no DBE? If so Can you please confirm what documents from appendix A are required to complete at bid time?	Confirmed, there is no DBE Goal required for this project due to Interim Final Rule.
6.	Thank you, does this mean no documents from appendix A are required to complete at bid time?	All bidders are required to comply fully with the submittal guidelines detailed on the compliance checklist page and within the Appendix A.

Exhibit 9-L: Bidder's/Proposer's List

The bidder/proposer must list all subcontractors, subconsultants, truckers, or suppliers (both DBE and non-DBE) in accordance with 49 CFR 26.111, who provided a quote or proposal to the project regardless of whether the firm was selected to participate. None of the information requested on this form is material to determine a bidder's/proposer's responsiveness.
