City of San Dimas Office of the City Manager – Update May 15, 2020

Latest Updates:

- View the latest San Dimas Restaurant, Breweries, and Café guide here: <https://sandimasca.gov/wp-content/uploads/2020/05/San-Dimas-Restaurant-Brewery-Café-May-15.pdf>
- The City of San Dimas in partnership with the Los Angeles County Development Authority (LACDA) is offering an Emergency Rental Assistance Program funded by the CDBG-CARES Act and is designed to assist eligible residents, impacted by the COVID-19 Pandemic
 - The program will be open to individuals whose households' income has been reduced as a result of COVID-19 and that are not receiving rental assistance through other organizations
 - Applicants will be required to provide documentation of their hardship showing the impact beginning March 10, 2020, to present. Eligible households must also meet the criteria listed in the application
 - Click [here](#) for more information and to view the application
- Criminals often take advantage of world events such as COVID-19. If you think you're a victim of a scam or attempted fraud involving COVID-19, contact the National Center for Disaster Fraud hotline by phone at 1-866-720-5721 or email at disaster@leo.gov
- Need WiFi? The County's new Locator website is findwifi.lacounty.gov. Any member of the public can dial 2-1-1 to ask for assistance to get information from this website, or can visit the site directly
 - The website features a search tool, based on the user's physical address, to connect them to various Internet related services, such as Internet access services for students, the location of free WiFi spots throughout the County (including free hotspots located in or nearby County libraries and County parks) and contact information for both residential and commercial broadband Internet providers and mobile (cellular) Internet providers serving the address
- Whether you are going into work or teleworking, COVID-19 has probably changed the way you work. Fear and anxiety about this disease, along with other strong emotions, can be overwhelming and workplace stress can lead to burnout. The CDC has ways to cope, visit <https://www.cdc.gov/coronavirus/2019-ncov/community/mental-health-non-healthcare.html> for more information
- Reminder: Children under age 2 are not required to wear cloth face coverings. Children ages 2-8 should wear one with help and supervision from an adult. People with disabilities who are unable to put on or take off a face covering are not required to wear one
