- The first phase of reopening LA County begins this Friday, May 8. This will include some low-risk retailers (curbside pickup only), car dealerships, golf courses & trails, in line with Governor Newsom. Learn more: <http://covid19.lacounty.gov/recovery>. Included in this phase:
 - All florists, toy stores, music stores, book stores, clothing stores, and sporting goods stores may reopen for curbside pickup only
 - Car dealership showrooms
 - Trails, trailheads, parks, and golf courses (not including pro-shops or dine-in restaurants)
 - Please view <https://sandimasca.gov/wp-content/uploads/2020/05/San-Dimas-Golf-Course-Reopening-and-Golf-Procedures.pdf> for more information on the San Dimas Golf Course reopening and golf procedures
- Governor Gavin Newsom announced that workers who contract COVID-19 while on the job may be eligible to receive workers' compensation. The Governor signed an executive order that creates a time-limited rebuttable presumption for accessing workers' compensation benefits applicable to Californians who must work outside of their homes during the stay at home order
 - Those eligible will have the rebuttable presumption if they tested positive for COVID-19 or were diagnosed with COVID-19 and confirmed by a positive test within 14 days of performing a labor or service at a place of work after the stay at home order was issued on March 19, 2020. The presumption will stay in place for 60 days after issuance of the executive order
- The Governor also signed an executive order that waives penalties for property taxes paid after April 10 for taxpayers who demonstrate they have experienced financial hardship due to the COVID-19 pandemic through May 6, 2021
 - This will apply to residential properties and small businesses. Additionally, the executive order will extend the deadline for certain businesses to file Business Personal Property Statements from tomorrow to May 31, 2020, to avoid penalties
