City of San Dimas Office of the City Manager – Update June 11, 2020

Latest Updates:

- Effective June 15, The Inland Valley Humane Society & SPCA (IVHS) will offer in-person adoption on an appointment-only basis and customer service/licensing over the phone with modified hours
 - Along with adoption appointments, they will continue to offer “Foster to Hold” by appointment-only for those interested in opening their home to a pet temporarily
 - Adoption and “Foster to Hold” appointments can be requested by filling out the corresponding application online at www.ivhssPCA.org/adoptions
 - To see a comprehensive list of IVHS’ temporarily adjusted operations, visit <https://www.ivhssPCA.org/special-message-update/>
- The Los Angeles County Fire Department initiated its annual brush inspections on May 1, 2020 and inspections continue to be conducted on a daily basis. Due to delays caused by COVID-19 many inspections were initiated after the May 1, 2020 start date and inspections will continue through July until all inspections are complete. If you receive a notice, the 2 week period to remedy any noted deficiency still applies and the necessary re-inspection will occur to ensure compliance.
 - Fire Department personnel conducting brush clearance inspections will comply with all COVID-19 CDC and County of Los Angeles Department of Public health guidelines to ensure their safety and the safety of the property owner
 - With brush inspections in full swing, and a projected active fire season before us, this is the time to review the [Ready! Set! Go! materials](#)
 - The following link <https://www.fire.lacounty.gov/rsg/> also provides additional resources on defensible space and fuel modification guidelines
- Homeowners who have been impacted by COVID-19 and were unable to pay their property taxes should submit a penalty cancellation request to the County’s Treasurer and Tax Collector. Call TTC at (213) 974-2111 or submit the form here: <https://ttc.lacounty.gov/penalty-cancellation-request-2/>
