City of San Dimas Office of the City Manager – Update June 16, 2020

Latest Updates:

- The last few months have weighed heavily on everyone; make sure to prioritize your mental health. The Los Angeles County Department of Mental Health is available 24/7 to help you cope with stress
    - Talk with a professional and access services to increase restfulness, decrease anxiety, or address depression
    - Call (800) 854-7771, text "LA" to 741741, or visit https://dmh.lacounty.gov/ for more information
- As the City, State, and County reopen, many people will begin traveling again. Take these steps to protect yourself and others from COVID-19 during your trip:
    - Wash your hands often or use hand sanitizer
    - Avoid close contact with others
    - Wear a cloth face covering in public
    - Cover coughs and sneezes
- Governor Gavin Newsom signed an executive order addressing a variety of issues in response to the COVID-19 pandemic.
    - The order extends waivers temporarily broadening the capability of counties to enroll persons into the California Work Opportunity and Responsibility to Kids (CalWORKs) program, allowing for self-attestation of pregnancy and conditions of eligibility, and waiving in-person identification requirements
    - The order also extends permission for commercially-licensed food trucks to operate in roadside rest areas, in compliance with a temporary permit issued by Caltrans, to ensure essential infrastructure workers have access to food; suspends face-to-face visits for eligibility for extended foster care; and extends deadlines related to the payment of real estate license application and renewal fees and continuing education requirements for licensees
    - For more information, visit https://www.gov.ca.gov/newsroom/
- If you run or work at a restaurant, this toolkit provides safety guidelines for dine-in restaurants for workers and customers:
    - Prevention practices
    - Physical distancing requirements
    - Infection control
    - Protecting customers and employees
    - Resources to communicate with your staff and customers
    - View the toolkit HERE
