If we are not successful with any contact, after 45 minutes, the Los Angeles County Sheriff's Department will be called to assist with the situation. Every effort will be made to reach the parent/emergency contact. If we are not successful, your teen will remain safely in the care of the Sheriff's Department.

Cell phones and electronic devices will be allowed for teens to use during free play and downtime. Please note, if you decide your teen can bring a cell phone or electronic device to camp, we recommend that they only use their cell phone to communicate with you and for emergency purposes. Staff will not monitor the usage or content of what they are doing or looking at on their phone or electronic devices. However, if it is reported by anyone (teen or staff) that your teen is misusing their cell phone or device in anyway; looking or listening to inappropriate images, videos or music, texting other teens (bullying), taking inappropriate photos or disrupting camp activities at any time etc. staff will take away the phone or device without question and only return to parent/legal guardian at the end of the day. Staff will review the Camper Rules with the parent/legal guardian and your teen will no longer be allowed to have a phone or electronic device at camp. No warnings will be given.

Your teen is responsible for their own items. If you do not want an item to get lost, taken or broken, please do not send it to camp. Please label and disinfect everything prior to bringing to camp.

Illness & Immediate Medical Attention

Should your teen become ill – non COVID-19 symptoms or (minor – non-life threatening) injured during camp, parents/legal guardians will need to pick up teen immediately after staff notification. If parents/legal guardians are not available, staff will contact individuals listed on the emergency form.

If a teen needs immediate medical attention, the following steps will be taken. Emergency Medical Assistance (911) will be called. Staff will then make every attempt to contact a parent/legal guardian. If they cannot be reached, attempts to contact persons listed on the emergency form will be made. If the teen needs to be taken to the hospital by an emergency vehicle, neither the City of San Dimas nor recreation staff will assume any financial responsibility for this action or other medical fees.

Head Injury Policy

The San Dimas Parks & Recreation Department has recently instituted a Head Injury Policy for the Kids Fun Club program. According to this policy, any participant who sustains head trauma will undergo evaluation. In the event of such an occurrence, the parent or legal guardian of the participant will be promptly notified via telephone. Should our staff observe multiple symptoms indicative of a concussion, emergency medical services will be summoned to conduct a thorough assessment of the child. We kindly request that you save our camp location's phone number in your mobile device so that we may swiftly communicate with you if necessary.

Discipline Policy

Please assist the Summer Day Camp staff by reviewing with your teen the rules listed below.
